CLEARFIL MAJESTY™ Starter Kit

The Perfect way to Jump Start into CLEARFIL MAJESTY™ with this Convenient & Economical Starter Kit

- **Anterior: CLEARFIL MAJESTY™ Esthetic**
Excellent color matching with single-shade technique; mimics human dentin with light-diffusion property; wide shade-matching range/easy shade-taking
- **Flowable: CLEARFIL MAJESTY™ Flow**
82wt% filled, extremely high physical properties similar to regular hybrid composites and high elastic modulus close to dentin; can completely restore even a large Class I cavity by only using this flowable composite.
- **Posterior: CLEARFIL MAJESTY™ Posterior**
Excellent longevity and function as an amalgam replacement; outstanding physical properties (92 wt% highest filled) close to natural tooth structure.

- **BUY 1 CLEARFIL MAJESTY™ Starter Kit**
