Brewer Design's Spring Operator Seating Package includes two DynaCore™ 9400 Series stools and one 3145L-R stool. Special package pricing is not valid on any other stool combinations or substitutions. All purchase orders must be marked "SPRING PACK" to receive discount. Qualifying purchase orders must be received by Brewer Design between April 1, 2010 and June 30, 2010. Contact your equipment dealer for more information.

*Backrest can be ordered for an additional \$90. Add part #50998 to the purchase order at time of order.
