Practice Solutions & Opportunities

[www.nashvilledental.com](http://www.nashvilledental.com)

• Are you looking for an associate or looking to be an associate?

• Selling a practice?

• Buying a practice?

• Need an Appraisal?

Nashville Dental gets contacted frequently by doctors looking to associate or to buy and sell practices. We are now posting these requests to our Opportunities page on our website: [www.nashvilledental.com](http://www.nashvilledental.com).

We want to provide a hub for customers to post these opportunities so that we can help these deals come together more often. If you would be interested in posting an opportunity to our web page, we will be glad to help you. For a single listing of 5 lines or less we charge \$10.00/month.

For a detailed posting with photographs and details, we charge \$35.00/month. This can be created for you if you send us the details and the images.

## Practice Opportunities

NDI is pleased to serve as a resource for dentists who are looking to:

- Sell an existing practice
- Seeking to purchase a practice
- Add an associate
- Seeking an associate position

Through our network of dental practices in Alabama, Kentucky and Tennessee we are aware of those offices that are looking to sell, bring in a partner or add an associate. Likewise, we are in contact with graduating dental students and other dentists that are seeking these positions and practice opportunities.

NDI offers comprehensive Practice Appraisal services to help with establishing the value of your practice and all appraisals are done in complete confidentiality. If you want us to assist you in finding a prospective buyer we offer a very attractive non-exclusive brokerage program.

For more information about these services and related fees please contact:
